

Who Is Paying the Placement Advisor?

Questions that help a family understand referral relationships, network limits, and what was actually verified.

- ☐ Does a facility pay you if my relative moves in?
- ☐ Are you showing every reasonable local option or primarily facilities in your network?
- ☐ How much diligence have you personally performed on each facility?
- ☐ Did you review current AHCA inspections and the underlying reports?
- ☐ Will you disclose any financial relationship with each facility presented?
- ☐ Does your rating represent consumer reviews, license status, an inspection, or an independent clinical evaluation?
- ☐ Will you provide the names of reasonable nonparticipating facilities?
